History of Zonta Radio Day

A major source of funds for Zonta service programs, the first annual Zonta Radio Day aired in February 1982. Sponsors purchased radio ads to talk about their business, products or simply to emphasize their support of Zonta community projects.

Since then, we've added a silent auction and a reverse chance drawing, both with great prizes. Have your beverages served by celebrity bartenders while you enjoy live entertainment. This year's event will include an outdoor grill and exciting games. Some of our hometown heroes will be there as well.

Ya'll come!

Please join your fellow businesses and individuals in helping Zonta continue its many community efforts.
